

## **Biography: Carol Boucher**

Remediation Division  
Texas Commission on Environmental Quality

### ***Current Position***

In her current position as a Senior Project Manager with the Texas Commission on Environmental Quality (TCEQ), Ms. Boucher provides project management and oversight for the investigation and remediation of Superfund sites in Texas.

### ***Prior Experience and Education***

Ms. Boucher obtained a Bachelor of Science Degree in Geology from Stephen F. Austin State University, Nacogdoches, Texas. Ms. Boucher's principal experience is in the fields of geology, groundwater hydrology, site investigation and remediation, and waste management. In addition to technical investigations in each of these fields, she has been involved in solid waste, RCRA, HWSA and CERCLA regulatory enforcement, compliance, and permitting.
